June 19, 2024

Secretary  
Ministry of Agriculture and Livestock  
Thimphu

**Subject: Change the name of two centers and staffing with change in position title for the staff under National Biodiversity Centre**

Dasho,

This is in reference to the letter No. MoAL/HRD/SEC/1/2024/1472 dated May 27, 2024 submitted by the Ministry of Agriculture and Livestock regarding the change in nomenclature of the centers and position title of staff under National Biodiversity Centre (NBC).

In this regard, the Commission during its 5th Meeting held on June 19, 2024 reviewed the proposal and decided to remove the term "National" from the titles of the two centers, as they are subsets of the National Biodiversity Centre. The revised names for the centers are as follows:

1. Centre for Nublang Conservation & Development, Tashiyangphu
2. Centre for Yubja Conservation & Development, Sertsam

The Commission also approved the change in the approved staffing as indicated in the annexure. Based on section 13.3.1 of the BCSR 2023, the agency has the authority to change position titles. Therefore, the HR Division is directed to update the position titles of the existing Livestock Officer and Supervisor to align with the revised staffing.

Thanking you,

Yours sincerely,

(Sonam Pelden Thaye)  
Director
